## **6. CAN I PARTICIPATE IN THE FEET'S GAME DEVELOPMENT CONTEST IN MULTIPLE TEAMS?**

Yes. You just need to ensure your team(s) all include you in them when submitting their games.

## **7. CAN MY GAME BE PHYSICAL?**

Currently we don't accept physical games to the competition. While we enjoy physical games in all forms, such as specialized game consoles, board games, pen & paper games, card games, etc., managing them in the competition and judgement process, especially during the global pandemic, has proven very challenging for our team, our judges, and the competitors. For this reason we are ruling physical games out from the competition and focusing on digital ones for the time being.

## **8. HOW CAN I FIND MEMBERS FOR MY TEAM?**

There are several communities of game developers on services such as Facebook and Reddit. You may also be able to find a local IGDA chapter or university with game development in it.

## **9. CAN WE SUBMIT SEVERAL GAMES?**

Yes. You can submit as many games into the contest as you like. To do so, follow the instructions in the entry submission.
